Set Fire to the Rain (Adele)

I let it fall, my ***head / heart***
And as it fell, ***you / I*** rose to claim ***we / it***
It was dark and I was over
Until you kissed my lips and **you / we** saved me
My ***hands / legs***, they were strong
But my knees were far too weak
To stand in your ***arms / face***
Without falling to your ***hands / feet***

But there's a side to ***me / you***
That I never knew, never knew
All the things you'd say
They were never true, never true
And the ***times / games*** you'd play
You would always win, always win

But ***she / I*** set fire to the rain
Watched it pour as I touched your ***pace / face***
Well, it burned while I cried
'Cause I heard it screaming out your name
Your name

When laying with ***you / mood***
I could stay there
Close my eyes, feel you here forever
You and me together, nothing is better

'Cause there's a side to you
That I never knew, never knew
All the ***things / words*** you'd say
They were never true, never true
And the games you'd play
You would always win, always win

But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name
Your name

I set fire to the rain
And I threw us into the flames
When *I / we* fell, something died
'Cause I knew that that was the last time
The last time

Sometimes I wake up by the ***door / floor***
That heart you caught must be waiting for you
Even now when we're already over
I can't help myself from looking for you

I set fire to the rain
Watched it pour as I touch your face
Well, it burned while I cried
'Cause I heard it screaming out your name
Your name

I set fire.....

Oh, no
Let it burn, oh-oh-oh
Let it burn
Let it burn
