Concept CW_Grade-3_Multiplication and Division

Multiplication and Multiplication Facts

Multiply your number by 100, write half of that number, again write half of that number. Your answer will be equal to your number x 25.

Your number is	= 30
Multiply by 100	= 30 x 100 = 3000
Half of that	= 1500
Half of that	= 750
so 30 x 25	= 750

Your number is	= 92
Multiply by 100	= _____
Half of that	= _____
Half of that	= _____
so ____ x ____	= _____

Your number is	= 72
Multiply by 100	= _____
Half of that	= _____
Half of that	= _____
so ____ x ____	= _____

Your number is	= 108
Multiply by 100	= _____
Half of that	= _____
Half of that	= _____
so ____ x ____	= _____

Your number is	= 80
Multiply by 100	= _____
Half of that	= _____
Half of that	= _____
so ____ x ____	= _____

Your number is	= 100
Multiply by 100	= _____
Half of that	= _____
Half of that	= _____
so ____ x ____	= _____
