Read the passage and answer the questions. Type the correct option for each question. For example, if option a is the correct answer for question 1, type a in the box below the options.

One day Aman went to the city to buy new clothes. First he tried on a pair of shirts. He didn't like the shirts, so he gave them back to the shopkeeper. Then he tried a robe which had the same price as the shirts. Aman was pleased with the robe, and he left the shop. Before he climbed on his donkey to ride home, the shopkeeper and the shop-assistant ran out.
"You didn't pay for the robe!" said the shopkeeper.
"But I gave you the shirts in exchange for the robe, didn't I?" replied Aman.
"Yes, but you didn't pay for the shirts, either!" said the shopkeeper.
"But I didn't buy the shirts," replied Aman. "I am not so stupid as to pay for something which I never bought."

1. How did Aman go shopping?
