Eco-destinations around the world

1 This country has a fantastic variety of flora and fauna, with thousands of species of insects, reptiles, mammals and amphibians. I am crazy about all kinds of animals, so for me, it's a paradise! If I had the chance to live anywhere, I'd live here.
Christian

2 This country is home to some of the most spectacular wildlife in the world, including elephants, rhinoceroses, lions and leopards. You can also learn from the local people, who build their own eco-friendly homes by hand and conserve every drop of water.
Melanie

3 If you want to have a relaxing time, you will enjoy your holiday here. This place is full of contrasts. You can go hiking and see some amazing scenery, or if you prefer, you can stay by the sea and enjoy the cool breeze. You would stay forever if you didn't have to go home!
Lucas

4 If you come to this country, you will get the chance to live like local people on houseboats called "Kettuvallams". If you're interested in eco-friendly products, you can see how local furniture-makers make and design their own furniture using sustainable resources such as bamboo sticks and palm leaves.
Kevin

5 This rainforest is the most incredible place I've ever visited. The waterfalls are spectacular. It's a long way to travel, but if you get the chance to visit, you won't regret it. The local people work hard to take care of the environment and preserve this amazing place.
