How Can I Fall?

Song by Breathe

_____ me time to care
The moment's here for us to _____
Still my heart is not always there
What more _____ I _____ to you?

Could I _____ to you?
I'm just too weak to face the truth
Now I _____, I should _____ a move
What more _____ I say?

How can I fall? How _____ I fall?
When you just won't give me reasons
When you just won't _____ me reasons at all

When all faith is gone
I fight myself to _____
Yet I know of the harm I do
What more _____ I say to you?

Now I hold this line
I know the choice to _____ is mine
I _____ help what I feel inside
What more _____ I say?

How can I fall? How _____ I fall?
(How can I fall?)
When you just won't give me reasons
When you just won't give me reasons at all

I'll _____ through, I'll _____ I do
When the time is far more right for you
I'll _____ that move and when I do
Will I doubt again the way I do?

How can I fall? How can I fall? (How can I fall?)
When you just won't give me reasons
When you just won't give me reasons at all

How can I fall? How can I fall? (How can I fall?)
When you just won't give me reasons
When you just won't give me reasons

How can I fall? How can I fall? (How can I fall?)
When you just won't give me reasons
When you just won't give me reasons

Just won't give me reasons
Just won't give me reasons at all
How can I fall? I fall, I fall
How can I fall for you?

How can I fall? How can I fall? (How can I fall?)
When you just won't give me reasons
When you just won't give me reasons
