A Special Outing

Hi my name is Larry and this is my story. It was a humid day and the weather was just perfect for a fine dip. My parents promised to take my twin sister and me on a special outing. As soon as school closed in June we reminded them of their promise. When they got tired of us nagging and begging, they finally granted us our wish.

We had lots to do and so little time to do it. Lisa began looking for our bathing suits and goggles. I looked for the beach balls, shovels and pails. Dad was busy gathering the towels and blankets. Mom was in the kitchen humming and preparing snacks.

An hour later, we were packed up and ready to go. As Dad cranked up the vehicle, my sister and I both shouted together, "Coral Bay, here we come!" Nothing could spoil our special outing, and we just knew we were going to have a blast!
