

IV. WRITING

1. Using the Future Perfect write a paragraph about your goals for the next:

10 years

5 years

Year

15 years

50 years

2. Using the Future Perfect write your vision of life and the country in the next years (70 words min.)

E.g.

By 2100, people will have solved all the environmental difficulties and the world will be a clean and safe place to live...
