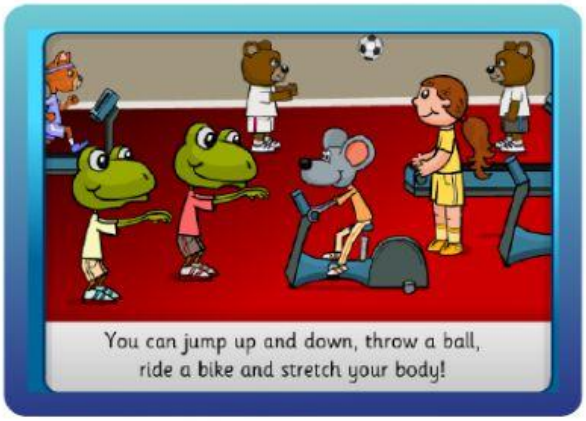
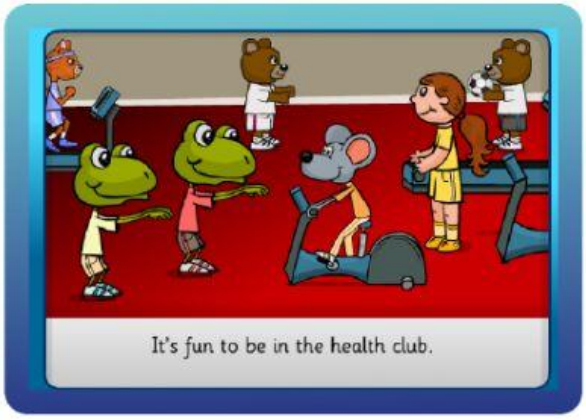
My favourite sport is golf.

A yellow doll is bouncing a blue ball against the wall.

Two little frogs are playing badminton in the hall.



You can jump up and down, throw a ball, ride a bike and stretch your body!



It's fun to be in the health club.

Don't bounce the ball against the wall! Go to the health club!

Don't play soccer in the hall! Go to the health club!

Don't play golf in the house, my little mouse! Go to the health club!
