Exercise 1

Lions

Lions are a kind of big cat. They live .....*in*..... hot places. They are very strong animals and they can run very quickly. They have very big teeth because they only (1)..... meat.

Lions like sitting on the ground or on rocks, and (2)..... in the sun. But because lions must drink water (3)..... day, you can sometimes see (4) ..... next to a river. Smaller cats (5)..... not like being in water, but lions often play or go swimming in it.

Example	at	in	on
1	eating	ate	eat
2	sleeps	sleeping	slept
3	every	any	another
4	it	him	them
5	do	have	are

Exercise 2

Whales

Whales .....*live*..... in the sea.

There (1)..... big whales and small whales. The smallest whale is longer (2)..... a man. The biggest is the blue whale and it is very, very long. The blue whale is the biggest and loudest animal (3)..... the world! Most whales sing songs to (4)..... families. All whales (5)..... swim very fast. They move quickly in the water and they like to jump out of the water.

Example	live	lives	living
1	was	is	are
2	or	than	but
3	in	of	on
4	them	their	they
5	can	be	have
