Hi Jim,

Thanks for your postcard from Egypt.
It sounds like you had a great time, but the camel ride sounds scary!

Last year, I went on a dog sled in Alaska.
It was exciting, but my little sister didn't enjoy it. The day after, my dad and I did it again, but my mum took my sister on the cable car. She liked that a lot more. They went to the top of a mountain and took some amazing photos.
