Do you have any idea?" asked Baya. "Yes, I do. let's share our territory. I live in the water, so I look for food in the sea. And you live on the land, right? So, you look for the food also on the land. The border is the beach. so we will never meet again. Do you agree?" Sura asked. "Hmm... let me think about it. OK, I agree. from today. I will never go to the sea again. My place is on the land," said Baya. Then they both lived in the different places.

But one day, Sura went to the land and looked for some food in the river. He was very hungry and there was not much food in the sea. Baya was very angry when he knew that Sura broke the promise. Baya shouted, "Hey, what are you doing here? This is my place. Your place is in the seal" "But, there is water in the river, right? So, this is also my place!" Sura answered.

Then Sura and Baya fought again. They both hit each other. Sura bit Baya's tail. Baya did the same thing to Sura. He bit very hard until Sura finally gave up. He went back to the sea. Baya was very happy. He had his place again. The place where they were fighting was a mess. Blood was everywhere.
