Impulse 3 Unit 2

1 Read the clues and write the words connected to music.

1 A person who writes music, for example Beethoven, Mozart or Chopin.
2 This person waves a stick in front of an orchestra.
3 He or she makes music sound good.
4 All the songs that a musician performs.
5 A rhythmic regular sound made by drums, for example.
6 The audience do this when they like a performance.
7 Drums and other instruments you can hit.
8 Make something louder.
9 An instrument you blow through, often used in jazz.
10 A device through which the sound is played.

Read the clues and write the words connected to music.

1 Music by Beethoven, Mozart and Chopin.
2 A regular sound in music that makes you want to dance.
3 The audience may do this when they do not like a performance.
4 A device that makes instruments louder.
5 A device you speak or sing into.
6 The time when musicians practise to prepare for a performance.
7 A large instrument with four strings which you hold in front of you.
8 A short performance when a musician shows how good they are.
9 Understand and follow musical notation.
10 When you use them, you only hear music, nothing else.
