Don't protect your business.
'How to adapt to changing times.' Simon Sinek

Match the words and phrases with their meaning.

A. a death warrant	**B. late fee**	**C. be onto something**
D. irrelevant	**E. half the picture**	**F. balance sheet**

an insight that could lead to future success
incomplete information
a charge imposed on a consumer who fails to make the payment by the due date
not connected with
a statement that shows the value of a company's assets and its debts
an official order for the execution

Now match them with their Polish equivalents:

opłata za opóźnienie
być na tropie czegoś, mieć rację odnośnie czegoś
część prawdy
wyrok śmierci
bilans
nieistotny, nieważny dla sprawy

Put them in the context:

This product could be a game changer. I think you ……...

Ensure that you pay the entire sum on time or you will be charged a …….

That would essentially mean signing …….. for the banks.

The …….. provides a static picture of the financial position at a point in time.

Making a large profit is …….. to us - the important thing is to make the book available to the largest possible audience.

LIVEWORKSHEETS

I know she said I cheated her out of the money, but that's just ……
— I actually had a very good reason for what I did!
