**3** Write the past participle of these verbs.

1 locate _____
2 house _____
3 sell _____
4 call _____
5 know _____
6 keep _____
7 open _____
8 announce _____

**Language tip**

When we make the past participle of **regular** verbs, we just ad *–ed* to the end:

*work – work**ed***

But, for **irregular** verbs, the past participle doesn't follow any rule so you have to learn them!

*go – gone* *sell – sold*

*know – known* *keep – kept*
