LIVEWORKSHEETS

II. READING (2.5 points)

TASK 1 **Read the passage. Circle the best answer A, B, or C to each of the questions.**

Robot Wars was a British TV show, where people control their robots to fight against one another. The competing robots came in different shapes and sizes, but their weight could exceed 100 kilograms. They all tried to throw other robots out of the arena where the competition took place. If your robot is the last one in the arena, you will win. The competition wasn't an educational programme but many viewers found ***it*** very informative and entertaining. During the height of its success, millions of people watched the show. In 2004, the show ended because of the declining number of viewers. However, thanks to fans' demands, the show might make a comeback.

1. What can be the title of the passage?
   - **A.** How to win a robot war
   - **B.** Robot Wars – A once-popular show
   - **C.** Things to know before entering a robot competition
2. Which robot will most likely win Robot Wars?
   - **A.** The tallest robot
   - **B.** The heaviest robot
   - **C.** The strongest robot

LIVEWORKSHEETS

3. Which type of show is Robot Wars?

   A. Educational programme

   B. Comedy show

   C. Competition show

4. What does ***it*** in line 7 refer to?

   A. The show

   B. The arena

   C. The robot

5. Why did the show end?

   A. Millions of people signed up for the show.

   B. Not enough people watched the show.

   C. Fans demanded to end the show.

LIVEWORKSHEETS

TASK 2 **Complete the reading passage. Write ONE suitable word in each blank.**

Dear Mr Robinson,

I'm writing you this letter to request that there should be more **(1)** _____ bins on the school campus. I did a survey last week and this was the biggest concern among students. They felt that the lack of containers negatively impacted the school and its students. As the president of the student council, I **(2)** _____ this request on their behalf to ensure our school is a pleasing place for students to be in.

Research shows that if there are more bins for recycling, people will be less likely to litter. They might not throw **(3)** _____ their trash to the ground. More dustbins will not only improve our school environment **(4)** _____ also encourage better behaviour from students.

Therefore, I hope this **(5)** _____ is granted as soon as possible.

Yours sincerely,

Brittany Smith

III. WRITING (2.5 points)
