First Conditional

I. Order the words in a-f and then match them with 1-6 to make first conditional sentences.

a. at university / apply / a place / for / he'll

b. teacher / happy / be / our / won't

c. starts / if / well / her business / new / doing

d. wakes / up / enough / if / early / he

e. parents / give / will / me / my / a reward

f. a / she'll / job / get / part-time

1 If you don't finish your homework in time,
2 She probably won't finish her degree
3 He'll do an hour's revision in the morning
4 If she needs money over the summer,
5 If he decides to become an engineer,
6 If I pass all of my exams,

II. Complete the dialogue using the first conditional.

Sarah Do you fancy going to the café later?

Claire No thanks. If I go to the café, I **1**..... (fail) my exam on Monday.

Sarah Really? What do you mean?

Claire If I go to the café, I **2**..... (see) Cathy. If I see Cathy, she **3**..... (invite) me to her party. If she **4**..... (invite) me to her party I'll stay out late on Saturday. If I stay out late on Saturday, I **5**..... (sleep) all Sunday morning. If I sleep all Sunday morning, I **6**..... (not do) any revision. If I **7**..... (not do) any revision, I **8**..... (fail) my exam on Monday!
