Producers and Consumers - **Activity Sheet**

Draw a line to match the key word with its definition.

Producers	The animals that predators feed on.
Predators	They are unable to produce their own food and have to eat animals and plants for food.
Prey	They feed on dead and decaying organisms.
Scavengers	These are green plants - they make food by photosynthesis.
Decomposers	They kill for food.
Consumers	They feed on dead animals. Examples include vultures and hyenas.
