6 REINFORCEMENT 4

1 Read, look and write four names.

This is our Community Garden. It's Saturday morning and lots of people are working in the garden. Anna and David are digging up the potatoes. It's hard work, but it's fun. Grace and Sophia are picking the raspberries. They're eating the raspberries too! They're delicious. Rosy is helping her mum. They're feeding the birds. Ben and his friend Ali like flowers. They're watering the roses. They're all having a good time!
