CHANCE - EVENTS

1. Choose a label to match each statement

certain | very likely | even chance | unlikely | impossible

a. I bought a ticket in a raffle and I will win.

b. Our next teacher will be six years old.

c. The next castle captain will be from 3er form.

d. If I drop an egg on the road, it will break.

e. We will do maths on our next day at school.

f. It will be warmer in December than in May.

g. I will see a lion on the way home from school.

h. This year half the students in my class will grow tails.

i. The next student I see will have been born after 2000.

j. If I toss a coin, it will come up heads.

2. Write the letter of each part of Question 1 in the table below to show each statement's chance.

Will always happen	Will sometimes happen	Will never happen
