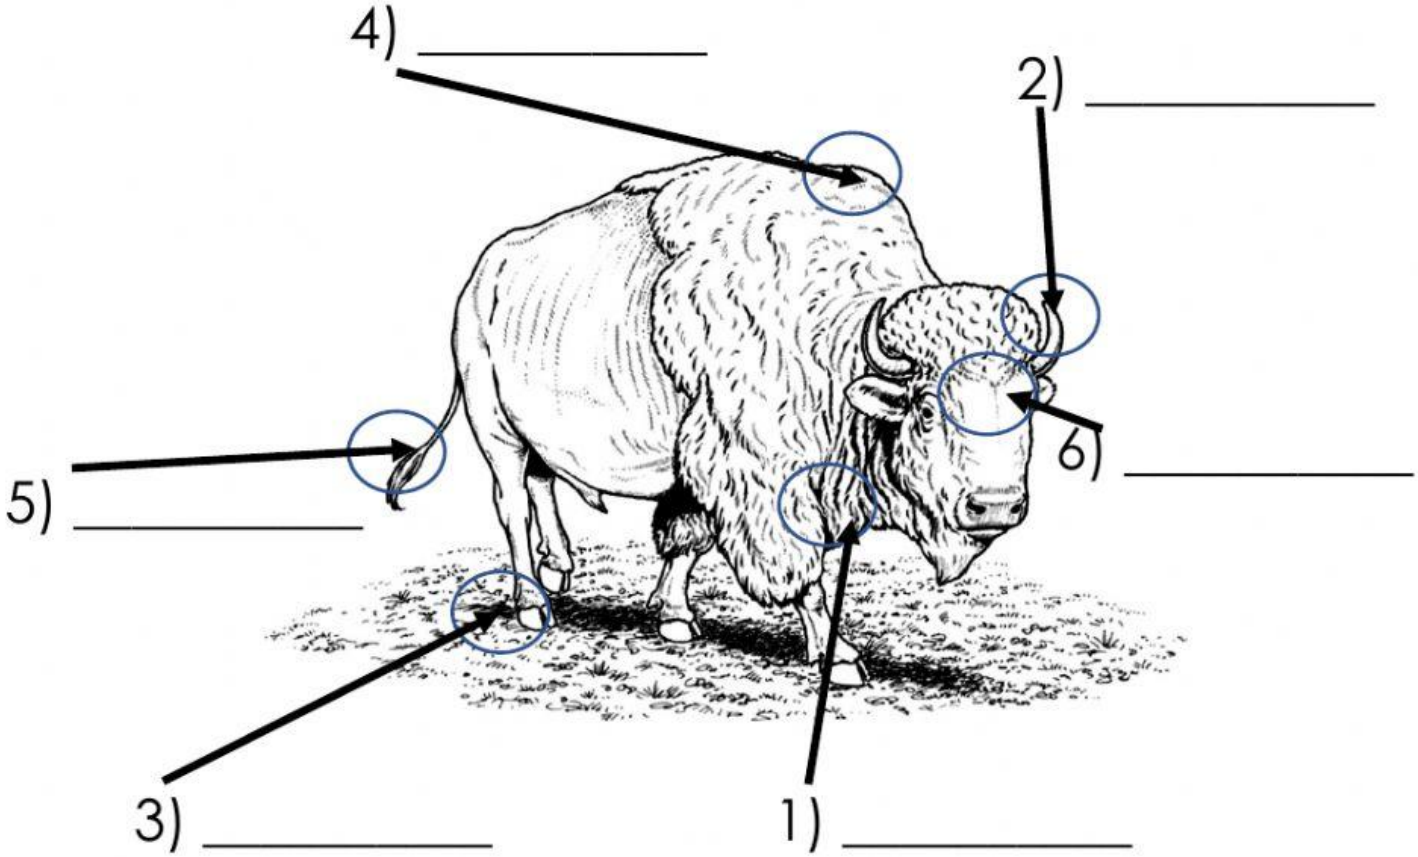
Use the bolded words in the reading below to label the bison.



Every genius knows...

Bison have thick, wooly **fur** to keep them warm in the winter. They have **horns** on their head to defend against wolves. Bison feet are called **hooves**. Bison have a **hump** on their back, the hump is muscle to move their giant heads. Bison have **tails** too. The bison's **head** is very strong, it is a weapon too.
