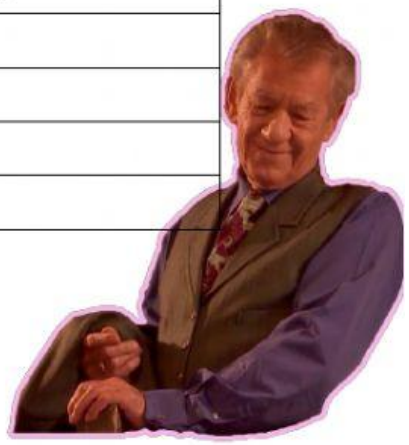
Hello, dear student, welcome to vocabulary practice with “Vicious”! Be attentive to read all the tasks clearly.

- Watch the video (0:00 to 5:00). This is the task to do during all the scene. Write down the names of the character, their aim to be present and what they are doing.

Who	What’s their need	What are they doing



LIVEWORKSHEETS

- Prediction game.

Read the jokes, try to think of a funny reply or a continuation. Then watch the episode (1:37) and match the correct variant. Don't check the answers before completing with your own ideas. Be careful! There are some extra variants.

	The joke	Your variant
A	Yes, you've told me about the islanders. Please, stop calling them that. Because …	
B	All that money and the nicest present she gave us was …	
C	Well, that's because my mother had the decency to know the appropriate time to die. - A characteristic …	
D	What can I do to look younger?	

Put the letter of correct answer in the first column. Remember there are two extra variants.

The correct variant	
	you both don't share, unfortunately
	they may hear you
	a gay cruise on a cheap boat
	not go?
	breaking her leg last Christmas
	we don't use that word anymore

LIVEWORKSHEETS

- Pause the video at this point. Read the phrases, then watch the episode (1:37-5:00) and choose the correct preposition and write down the phrase into the second column.

	The phrase
You've always been *jealous* of/ with/ by my success.	
I feel *sad* at/ for/ about you.	
I can feel the blood start *returning* through/ to/ in my veins.	
Don't stand so *close* to/ with/ around the boy.	
I don't have anyone else to *talk* to/ with/ by.	
Ash was *asking* the/ for/ after advice.	
You've had it along/ during/ for *ages*.	

Now make sentences using the *words* with the right preposition:

LIVEWORKSHEETS

- Read the following phrases, try to remember them in the video and guess their meaning from the context. Find the synonyms or the other way of expressing the *highlighted* parts. Make small dialogues, using them. Watch the video again to refresh the phrases, if needed.

I'm *hanging up*, stop talking	
Managed to make it back alive again	
Smother her *with* a pillow	
I never *spoke poorly* of your mother	
Had the decency to know the appropriate time to die	
I'll be surprised if *you make it to* teatime	
Bugger!	
I've got this *fan club screening* of my Doctor Who episode	
I've got *to look my best*	
I'll get it	
His breath is nothing to *be alarmed about*	
His insides *decaying*	
Good *riddance*	
A little kindness goes a long way	
Drug-addicted slag who's broken his heart	

LIVEWORKSHEETS

Women are less f*orthcoming*	
I have been voted the tenth most popular villain.	

Write down all the unknown words which were not mentioned in the above tasks. Don't forget to translate them and find some phrases there are used in.

Thanks for watching!
