

Should've Said No

Taylor Swift

- Complete with the missing words.

It's strange to think the **SOUNDS / SONGS** we used to sing
The **LAUGHS / SMILES**, the flowers, everything is gone
Yesterday I found out about you
Even now just looking at you **IS / FEELS** wrong
You say that you'd take it all back, given **A / ONE** chance
It was a moment of **WEAKNESS / STRESS** and you said yes

CHORUS

- Complete the chorus

You should've _____,
You should've _____
You should've thought twice before you let it all go
You should've know that word, but what you did with her
Would _____ to me
And I should've been there, in the back of your mind
I shouldn't be _____
You shouldn't be begging for _____s at my feet
You should've _____, baby and you might still have me

- Correct the mistakes.

You can see that I haven't been crying
And baby you know all the right things to do
But do you truly expect me to believe
We could ever be together
You say that the past is the past, you need another chance
It was a minute of weakness and you said yes

CHORUS

I can't resist... before you go, tell me this
Was it worth it?
Was she worth this?
No... no no no

1. According to the song, what happened between the couple?

2. What things should he have done differently according to the girl?

3. What things both of them could have done differently in your opinion? Write 3 sentences.
