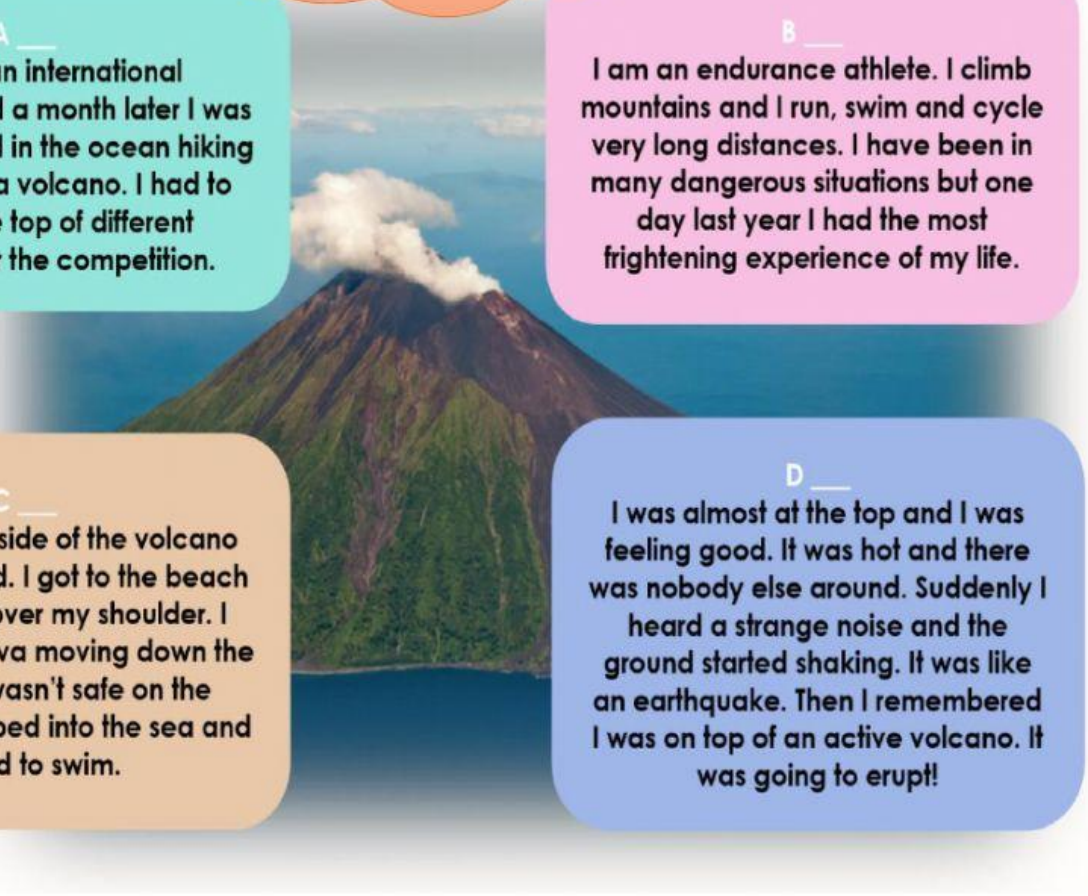
Name:

Match the headings to the paragraphs

A ___
I entered an international competition and a month later I was on a small island in the ocean hiking up the side of a volcano. I had to climb to the top of different volcanoes for the competition.

B ___
I am an endurance athlete. I climb mountains and I run, swim and cycle very long distances. I have been in many dangerous situations but one day last year I had the most frightening experience of my life.



C ___
I ran down the side of the volcano as fast as I could. I got to the beach and I looked over my shoulder. I could see the lava moving down the mountain. I wasn't safe on the beach, so I jumped into the sea and started to swim.

D ___
I was almost at the top and I was feeling good. It was hot and there was nobody else around. Suddenly I heard a strange noise and the ground started shaking. It was like an earthquake. Then I remembered I was on top of an active volcano. It was going to erupt!

1-Who am I .

2- An earthquake hit the place.

3-Climb to a top of volcano in an international competition.

4-surviving and escaping .
