Subject: Trip to Los Angeles
Hello Bo,

I hope you are well today. My wife and I are spending the week in Los Angeles. The weather is always perfect here in sunny California. The public transportation is very bad here, so we borrowed a car. My wife is currently driving to a boutique on Beverly Hills. There is so much to do here. Tomorrow, we're going to go to the Hollywood walk of fame. On Wednesday, we're going to Disneyland with Shirley's family because she has very young kids. We really want to see the Los Angeles County Museum of Art, but I'm afraid we don't have the time. I'm going to buy you a keychain as a souvenir when we go to Disneyland.
I'm looking forward to seeing you when we get back.

Cheers,

Tony Yang
