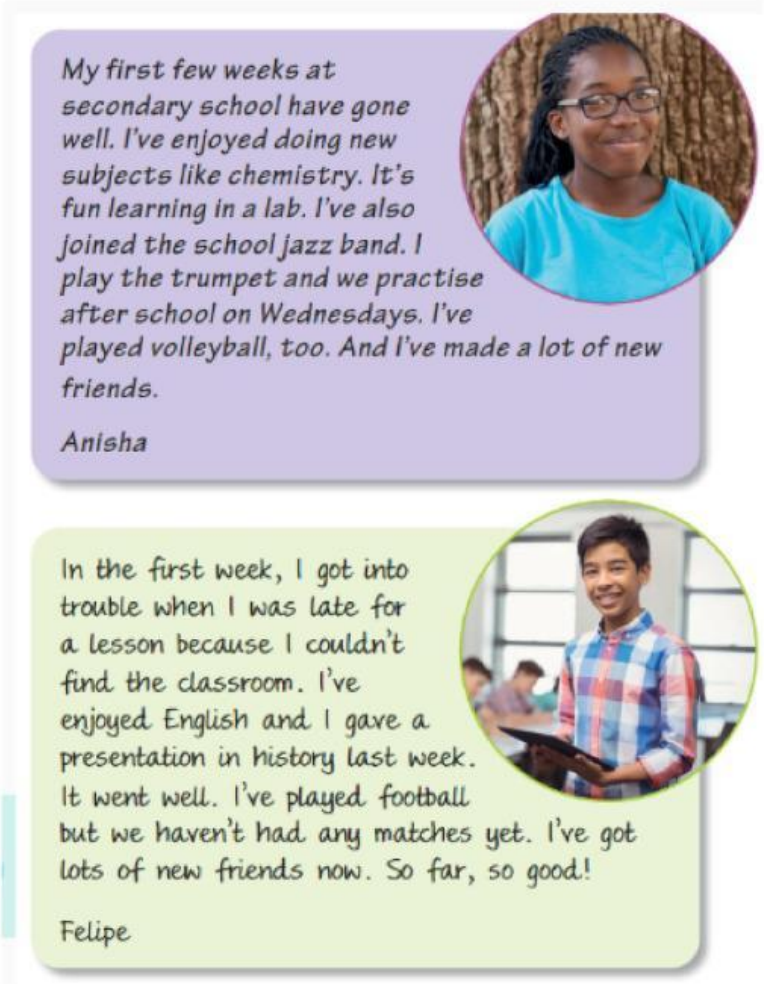
1. THE FIRST READING (Learner's Book, page 30)



My first few weeks at secondary school have gone well. I've enjoyed doing new subjects like chemistry. It's fun learning in a lab. I've also joined the school jazz band. I play the trumpet and we practise after school on Wednesdays. I've played volleyball, too. And I've made a lot of new friends.

Anisha

In the first week, I got into trouble when I was late for a lesson because I couldn't find the classroom. I've enjoyed English and I gave a presentation in history last week. It went well. I've played football but we haven't had any matches yet. I've got lots of new friends now. So far, so good!
