Hi Jenny,

Hello from the USA! My family is having a fantastic holiday this year. We're visiting our cousins in San Francisco. We're staying in their house – it's really bright and comfortable with a basement and balconies.

It's our first time here in this amazing city and it's really exciting! We're doing a lot of interesting things. Every day, we go to the beach near their home, but usually only in the morning. That's because the weather is quite unusual here. It's really hot in the morning, but it often becomes very cold later in the day! In the afternoon, we often go cycling, but only in Golden Gate Park.

San Francisco has got a lot of fantastic cafés and restaurants, but they are expensive, so we usually eat at my cousins' house! It's a great city. I want to come back next year!

See you soon.
