Beatrice: She didn't go to college? But he's so intelligent. Why was he at a fashion show?

Surrey:. Ah... Ok...

Surrey: Oh! He was going to take you to Quebec? I didn't know you dated.

Surrey: Really? Well, Kendra is a really great girl.

Surrey: No, she didn't go to college. He met her at a fashion show.

Beatrice: Quebec City? Jason always said that he and I would go to Quebec City together! Now he's taking that other girl, Kendra!

Beatrice: Is she? That's good. Where did he meet her? At College?

Beatrice: Didn't you? Well, we dated for five years. He wouldn't marry me. Please, give him my congratulations. And tell him I still love him.

Surrey: Ah... Ok, Beatrice. Bye
