

WEATHER

1- Look at the pictures and write the weather using "hot and dry"/"stormy with thunder and lightning"/"sunny and mild"/"cold and rainy"/"snowy and frosty"/"hot and humid".

2- Look at the picture. Read the information and the sentences. Write "YES" or "NO".

What's the weather like in different seasons?

In Spring, the weather begins to get warmer and trees and other plants grow new leaves. Summer is the hottest season and has long, usually sunny, days. In Autumn, the weather becomes mild and leaves start falling from many types of trees. Winter is the coldest season, with short days.
