# Love is all around

Wet Wet Wet

I feel it in my hands / fingers
I feel it in my toes
Love is all around you / me
And so the feeling grows

It's written on the wind
It's everywhere I go / look,
So if you really love it / me
Come on and let it show

You know I love you, I never / always will
My mind's made up by the way that I feel / see
There's no beginning, there'll be no finish / end
'cause on my love you can depend

I see your face before me
As I lay on my sofa / bed
I kinda get to thinking, of all the things you said / have ( oh yes I did )
You gave your promise to me and I gave mine to me / you
I need someone beside me
In everything I want / do

You know I love you, I never / always will
My mind's made up by the way that I feel / see
There's no beginning, there'll be no finish / end
'cause on my love you can depend...
