

Name _____ Date _____

Geometry – Volume and Surface Area of Prisms

Complete the following

1)

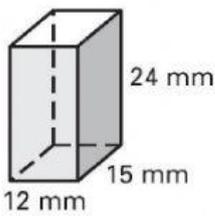

a) Find the volume

 ft³

b) Find the surface area

 ft²

2)

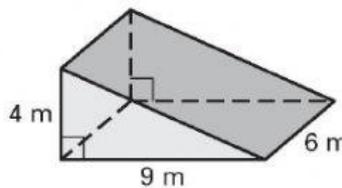

a) Find the volume

 mm³

b) Find the surface area

 mm²

3)

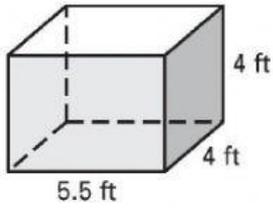

a) Find the volume

 m³

b) Find the surface area

 m²

4)

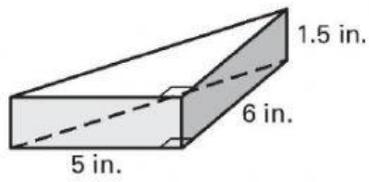

a) Find the volume

 ft³

b) Find the surface area

 ft²

5)

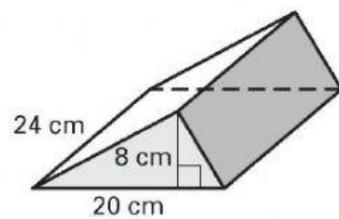

a) Find the volume

 in³

b) Find the surface area

 in²

6)

a) Find the volume

 cm³

b) Find the surface area

 cm²
