COMMUNICATION

By The Cardigans

1- Put the lines in order

___ Different people I found

___ To believe and confide in

___ And then you came around

___ For 27 years I've been trying

___ Some of them got closer than others

___ And some wouldn't even bother

2- Circle the correct option

I didn't **truly** / **really** know what to call you

You didn't **love** / **know** me at all

But I was happy to **explain** / **refrain**

I never really knew how to move you

So I tried to **include** / **intrude** through

The little holes in your **veins** / **pains**

And I saw you

But that's not an invitation!

That's all I get

If this is communication

I disconnect

I've seen you, I know you, but I don't know

How to connect

So I disconnect

3- Listen and complete

You _____ seem to know where to find me

And I'm still here _____ you

In the corner of your eye

I'll never really _____ how to love you

But I know that I love you

Through the _____ in the sky

Where I see you

Repeat

Well, this is an _____!

It's not a threat

If you _____ communication

That's what you get

I'm talking and talking

But I don't _____

How to connect

And I hold

A _____ for being patient

With your kind of _____

I need you, you want me

But I don't know

How to connect

So I disconnect, I disconnect…
