LIVEWORKSHEETS

Read the passage and decide if the statements are True or false. Choose the correct answers for the last 2 questions.

School food in South Africa varies depending on the region and school. In many schools, meals are simple but nutritious, such as rice, beans, vegetables, and sometimes chicken or beef. Some schools also offer sandwiches, fruit, and snacks. In rural areas, children may bring food from home, while urban schools often have food provided by the government or local organizations. The government has programs to improve school meals, ensuring that students receive healthy food to support their learning. Overall, school food in South Africa aims to provide energy and nutrition to help students stay focused in class.
