16th March

Dear Diary

On Saturday afternoon my best friend, Katy, came to my house and we did some cooking. We made pizzas with olives on them, and biscuits, too! When we finished, the kitchen was very (1) untidy and that made Mum a bit (2) _____!

Then, on Sunday all the family went out for lunch. It was a surprise for Grandma's 80th birthday! Going to the restaurant made Harry and I feel very (3) _____. We couldn't wait to go! We don't often go to restaurants, you see. We walked to the restaurant and the rain on the way made us (4) _____, but we didn't mind because we had umbrellas. In the restaurant we laughed and talked a lot and I think we were a bit too (5) _____. That was because we had to wait a long time for our food. The smell of the pizza made us very (6) _____.

Then the food arrived! I had soup and I ate lots and lots of pizza too, because it tasted (7) _____. But that evening all those pieces of pizza made me (8) _____. This morning Mum took me to the doctor's. The doctor was very (9) _____. She gave me some medicine for my stomach and that made me feel (10) _____. But that meant I was a bit (11) _____ for school again and I felt (12) _____ about that! But when I got there the teacher just said 'No problem!'.
