

I can read the information on a pictograph.

KEY: each food item = 1 child

1. How many children like pizza? \_\_\_\_\_
2. How many children like burgers? \_\_\_\_\_
3. How many children like chicken nuggets? \_\_\_\_\_
4. How many children like hot dogs? \_\_\_\_\_
5. Which food is the most liked? \_\_\_\_\_
6. Which food is the least liked? \_\_\_\_\_
