Friday night dinner

Listen to the song and complete

I come _____, but there's no _____ for me.
I go to the _____ and what do I see?
There's some _____, but it's a bit cold
And look at that, it's also a week old!

All I want is a good _____
I don't think it's a big deal.
What's there to _____
What's there to eat?

I want to make some chicken _____
But the chicken and _____ don't look good.
I'd like to have a nice _____.
Where's that phone? I think it's time to _____.

All I want is a good meal.
I don't think it's a big deal.
What's there to eat?
What's there to eat?
