WORKSHEET-3

CLASS: VI **TERM: III** **SUB: MATHEMATICS**

UNIT-2: INTEGERS **TOPIC: Comparison of integers**

Name:

Objective: To compare the integers.

1. Which is the greatest integer. -15, -27, -3, -32

2. Which is the greatest integer. -208, -32, 0, -48

3. Which is the greatest integer. -1001, -101, -10, -201

4. Which is the greatest integer. -5, -40, -1, -28

5. Which is the greatest integer. 12, 22, -222, -92

6. Which is the greatest integer. 87, 0, -88, -8

7. Which is the greatest integer. 18, -19, -21, 12

8. Which is the greatest integer. -11111, -111, -1111, -11

9. Which is the greatest integer. -8, -6, -7, -9

10. Which is the greatest integer. -89, -88, -98, -99
