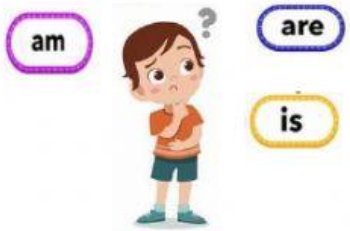
Verb To Be



The verb to be (verb to be: am, is, are), translated into Spanish as; **ser o estar** and sometimes to **tener**, is the most important and used verb in the English language, so it is important to know how to use it to learn the language satisfactorily.

1. Order the words forming the corresponding sentence taking into account the tenses of the verb to be.

Present

A) good | friends | are | They

Simple Past

B) started | rain | house | at | was | it | my | to | when | He

2. Listen to the following sentences in the future simple and complete the space.

Click aquí

A) My mom _____ home when I get_____.
