En esta lista, se van a encontrar con todos los ***verbos irregulares*** que vamos a usar. Para los verbos regulares, como vimos en el video, solo agregamos "-ed" al final del verbo.

En esta lista, hay 4 columnas. La primera es para los verbos en presente. La segunda para verbos en Simple Past, que es la que nos importa ahora.

La tercera es para otros tiempos verbales y la cuarta, tiene el significado del verbo en Español.

After that, he studied at Oxford University before working there for many years. In 1926, he met and became friends with J. R. R. Tolkien. For years, they read and discussed each other's stories. In 1950, Lewis published *The Lion, the Witch and the Wardrobe*, the first book in *The Chronicles of Narnia*. Lewis died in 1963, but his stories remain some of the most popular in the world.
