Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

The Silver Glove

#The Silver Bore

Daniel Jones

If you've ever seen a pirate film in the past, you can save your money. This is one of the most predictable films I have seen this year. The plot is totally unbelievable and the script is something **amateurish** out of filmmaker college. There is some nice cinematography, but the Hawaiian scenery is not enough to save this film. Great support acting from the Frenchman Thierry Montpasse as the evil Captain Scar.

#Pirates At the Speed Of Light

Angela Moore

I just love this fast-moving pirate thriller. The story moves at **dizzying** speed from one terrifying battle scene to the next, and you really feel as if you are on the ships with these evil thieves and smugglers. Chief pirate, British actor Colin Williams, is given all the best, wittiest lines, and the film has its share of laughs as well as scary moments. The storm scene at the beginning leaves you both exhausted and terrified.

Question 31: What is the main idea of the passage?

A. A comparison of two pirate films with different perspectives.

B. A detailed summary of the storyline of The Silver Glove.

C. A critical analysis of Hawaiian scenery in movies.

D. A review of the best pirate movies of the year.

Question 32: Which of the following is NOT true according to the passage?

A. Daniel Jones praises the plot of The Silver Bore as highly believable.

B. Angela Moore describes Pirates At the Speed Of Light as a fast-moving thriller.

C. Thierry Montpasse plays the role of Captain Scar in The Silver Bore.

D. Colin Williams plays the chief pirate in Pirates At the Speed Of Light.

Question 33: What is the OPPOSITE of "dizzying" as used in the passage?

A. Exhausting B. Thrilling C. Predictable D. Slow

Question 34: What is the CLOSEST meaning to the word "amateurish" as used in the passage?

A. Professional B. Unskilled C. Authentic D. Unique

Question 35: What does Daniel Jones think about the cinematography in The Silver Bore?

A. It matches the high quality of the script.

B. It is innovative and professional.

C. It overshadows the Hawaiian scenery.

D. It is impressive but not enough to save the film.
