DAILY ROUTINE AND PRESENT SIMPLE

1 / True / False exercice : Click on the right answer.

Fred lives in Glasgow	**True**	**False**
He wakes up at 9.	**True**	**False**
He has coffee for breakfast	**True**	**False**
He hates school food	**True**	**False**
He eats at school	**True**	**False**
They have dinner at 8	**True**	**False**

2/ Answer the following questions about Fred. Mind the example !

Ex :
Where **does** he live ? He lives in London.
What time does he get up ? ……..
What does he have for breakfast ? ……
Where does he eat ? ……
What time do they have dinner ? ……

=> In the positive form , 3 rd person singular, present simple, the verb ends in ……

=> In the question form we use the auxilary …….. (for I, you, we, they) or

……. (for he, she it.)

3 –Look at the example and make sentences in the negative form. Then conclude ….

1 – I – not eat – at school => I **don't** eat at school.
Fred - not eat – at school => Fred **doesn't** eat at school.

2 – I – not take the bus everyday = > ……
Fred – not tke the bus everyday => ……..

3 – I – not have coffee for breakfast => ……
Fred – not have coffee for breakfast = > ……

4 – I – not finish school at 2 pm => ……
Fred – not finish school at 2 pm = > ……

To form the negative form in the present simple, we use the auxilary …….. for I, you, we, they and …… for he, she it (3rd person singular.)

When we use the auxilary the verb is in the infinitive form.

5 / Conjugate the verb « think » in the present simple.

Positive form	Question Form	Negative form
I		
you		
she		
we		
you		
they
