Kings & Queens *(by Ava Max)*

Fill the gaps with one of these words:

Fire	before	disobey	save	King	Queens	take	sword

If all of the kings had their …….. on the throne
We would pop champagne and raise a toast
To all of the …… who are …….. alone
Baby, you're not dancing on your own

Can't live without me, you wanna, but you can't, nah-nah-nah
Think it's funny, but honey, can't run this show on your own
I can feel my body shake, there's only so much I can ……
I'll show you how a real Queen behaves

Oh, no damsel in distress, don't need to ……. me
Once I start breathing ……., you can't tame me
And you might think I'm weak without a sword
But if I had one, it'd be bigger than yours

If all of the kings had their …….. on the throne
We would pop champagne and raise a toast
To all of the …… who are …….. alone
Baby, you're not dancing on your own

…….. me, then baby, it's off with your head
Gonna change it and make it a world you won't forget

Oh, no damsel in distress, don't need to ……. me
Once I start breathing …….., you can't tame me
And you might think I'm weak without a …….
But I'm stronger than I ever was ……..

If all of the kings had their …….. on the throne
We would pop champagne and raise a toast
To all of the …….. who are …….. alone
Baby, you're not dancing on your own

….

In chess, the …… can move one space at a time
But …… are free to go wherever they like
You get too close, you'll get a royalty high
So breathe it in to feel the life

If all of the kings had their ……. on the throne
We would pop champagne and raise a toast
To all of the …… who are …….. alone
Baby, you're not dancing on your own

Oh-oh-oh-oh-oh-oh, oh-oh
Oh-oh-oh-oh-oh-oh, oh-oh
