Class 8 Maths Worksheet

WS2

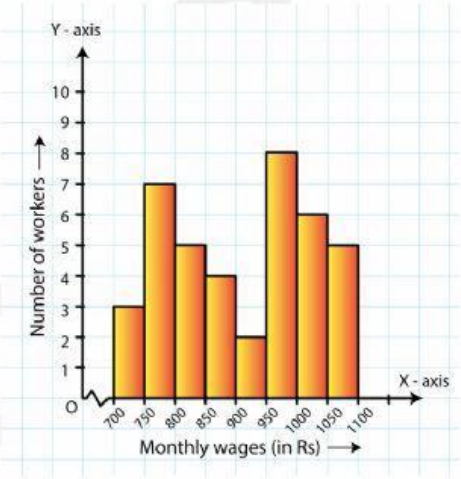
Data Handling

Topic: Histogram

Name:

Date:

The following histogram shows the number of literate females in the age group of 10 to 40 years in a town:



1. What is the factory size?

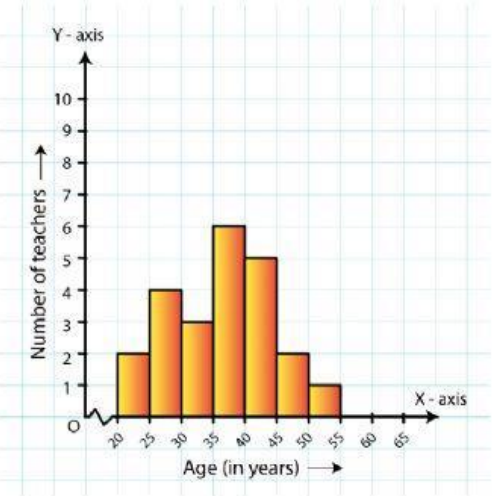
2. What is the total number of workers?

3. What is the number of workers who are getting the least wages?

4. What is the number of the wage-group in which the largest numbers of workers are being kept?

5. What is the size of the group?

The following histogram shows the frequency distribution of the ages of teachers in a school:



6. What is the number of eldest teachers in the school?

7. What is the number of youngest teachers in the school?

8. What is the total number of teachers?

9. What is the size of the classes?

10. What is the highest class mark?
