Hello, Samuel.

I'm having a great time on vacation in France. We're staying on a farm. There are cows, sheep, and horses. The farmers make cheese. I love cheese! We arrived two days ago and we're staying for a week. We drove here. I loved the boat trip across the sea from England. Yesterday, it rained heavily all

day, so we couldn't go out. We watched movies and played board games. It was boring. Today, it was sunny and we drove to the mountains. We went swimming in a lake, but the water was very cold. Then James and I went sailing in two small boats. He isn't as good at swimming as me, but he sailed more quickly than I did. See you soon,

Jasmine.
