You can go to London by **or you can take the Eurostar, the** **under the Channel. To go to central London, you can take a** **or the** **. The London underground is very old. Londoners call it "the tube". You can also take a** **. Taxis in London are very colourful and friendly. If you use a** **in central London you must pay £5, and don't forget that in Great Britain people drive on the left! To visit London, you can go on** **but if you are tired you can take a** **. You can also try one of these** **that are so typical of London! And maybe if the weather is nice you can have a** **ride on the river Thames!**
