Read the text about Code.org and fill the gaps using the phrases from the box.

increases diversity	expanding access	generous donors
increasing participation		keep learning
the opportunity to learn		racial and ethnic groups

What's Code.org?

Code.org is a nonprofit dedicated to (1) _____ to computer science in schools and (2) _____ by young women and students from other underrepresented groups. Our vision is that every student in every school has (3) _____ computer science as part of their core K-12 education. The leading provider of K-12 computer science curriculum in the largest school districts in the United States, Code.org also created the annual Hour of Code campaign, which has engaged more than 15% of all students in the world. Code.org is supported by (4) _____ including Microsoft, Facebook, Amazon, the Infosys Foundation, Google and many more.

Code.org (5) _____ in computer science by reaching students of all backgrounds where they are — at their skill-level, in their schools, and in ways that inspire them to (6) _____.

For the fourth year in a row, students from marginalized (7) _____ make up half of students in our courses. Increasing diversity in computer science is foundational to our work.
