II. ✍ WRITE the correct type of dictionary for each description.

1. Uses the same languages for their words and definitions.

2. Translates words from one language to another language.

3. The definition of a word is displayed in the form of a drawing or picture.

4. This dictionary is available on the internet

There is and There are

We use "there is" or "there are" to indicate that something exists.

There is a plant on the bookshelf.

Use **is** because we only see one (1) plant.

There are books on the bookshelf.

Use **are** because we more two AND more books.

III. Look at the picture and ✍ write "is" or "are"
