Grade 7A&B Family Life

Families

Expressing Your Views

Answer the following questions:

1. How are your family responsibiliites helping you prepare for independent life?

2. Many family problems are worked through communication. Why do you think it is sometimes difficult for family members to communicate with each other?

3. Simira's mother is planning to remarry, and her mother's future husband has two small children. Simira and her mother have lived alone for almost all of Simira's life. Now Simira is afraid that she will never get to spend time with her mother, and she's worried that her new stepbrothers will complicate her life. What could you say to Simira to help her adjust to the change?
