TOPIC: TEACHERS

1. Do you want to be a teacher in the future?

SAMPLE 1:

To be upfront with you, I've given it some thought in the past, but I don't believe it's the right career path for me. I have immense admiration for teachers – it's an incredibly (1) _____ profession that requires not only (2) _____ patience, but also deep empathy and commitment. The idea of shaping young minds and guiding students through their development is certainly inspiring, but I'm not sure I have the right temperament to manage a classroom full of energetic kids or adolescents! That being said, I do enjoy mentoring in more informal environments. For instance, I've had the opportunity to support younger colleagues at work, and I really find fulfillment in (3) _____ their growth and sharing my knowledge. So, while I may possess some teaching (4) _____, I don't envision myself as a full-time teacher.

- **demanding profession:** nghề nghiệp đòi hỏi cao
- **unwavering patience:** sự kiên nhẫn không lay chuyển
- **nurturing their growth:** nuôi dưỡng sự phát triển của họ
- **inclinations:** xu hướng, thiên hướng

SAMPLE 2:

To be perfectly honest, I don't think teaching is the career I would (5) _____ in the future. Although I've always admired teachers for their (6) _____, I feel that the profession demands an enormous amount of patience, (7)_____, and emotional (8) _____. Teaching is far more than simply delivering lessons—it's about inspiring students, addressing their individual needs, and helping them reach their full (9) _____. While I genuinely enjoy explaining things and sharing knowledge with others, I think I would be (10)_____ suited to mentoring people in a workplace rather than teaching in a school.

- **pursue a career**: theo đuổi sự nghiệp
- **dedication**: sự tận tâm
- **resilience**: khả năng kiên cường
- **emotional intelligence**: trí tuệ cảm xúc
- **reach their full potential**: phát huy hết tiềm năng
- **be better suited to**: phù hợp hơn với

SAMPLE 3:

Honestly, I don't see myself becoming a teacher in the future. Although I've always regarded teaching as one of the most (11) _____ professions, I realize it comes with (12) _____ responsibility. Teachers are expected to educate, motivate, and support students from different (13) _____, which requires (14) _____ patience and (15) _____. Personally, I prefer a career that offers greater (16) _____. Even so, I genuinely enjoy sharing knowledge with others whenever I have the opportunity, whether it's helping a friend or coaching a junior (17) _____.

- **noble profession**: nghề cao quý
- **tremendous responsibility**: trách nhiệm to lớn
- **different backgrounds**: những hoàn cảnh khác nhau
- **remarkable patience**: sự kiên nhẫn đáng nể
- **adaptability**: khả năng thích nghi
- **greater flexibility**: sự linh hoạt hơn
- **coach a junior colleague**: hướng dẫn đồng nghiệp trẻ

2. Do you have a teacher from your past that you still remember?

SAMPLE 1:

Absolutely! One teacher in particular truly stands out in my memory—my high school literature teacher, Thanh My. She had an exceptional ability to bring stories to life. Instead of simply focusing on the (18) _____ of literature, such as grammar or sentence structure, she encouraged us to think critically about the (19)_____ **theme**s and underlying messages embedded in the books we read. What really (20) _____ **with** me, though, was her capacity to connect with each student on a personal level. She took the time to understand us individually, making sure everyone felt seen and heard in her classroom. Even now, I often reflect on the lessons she taught me, which extended far beyond literature and encompassed valuable life lessons.

- **technicalities:** các chi tiết kỹ thuật
- **profound themes:** các chủ đề sâu sắc
- **resonated with me:** gây ấn tượng sâu sắc với tôi

SAMPLE 2:

Definitely. The teacher I **remember** most (21) _____ is my secondary school English teacher. She had an (22) _____ **passion** for teaching, which made every lesson enjoyable and meaningful. Instead of asking us to (23) _____ **information** mechanically, she encouraged us to express our opinions and develop **independent** (24) _____. Her **enthusiasm** was truly (25) _____, and she played a significant role in (26) _____ my **confidence** in learning English. Even after all these years, I still appreciate the valuable advice and encouragement she gave me.

- **remember vividly**: nhớ rất rõ
- **infectious passion**: niềm đam mê lan tỏa
- **memorize mechanically**: học thuộc một cách máy móc
- **independent thinking**: tư duy độc lập
- **contagious enthusiasm**: sự nhiệt huyết truyền cảm hứng
- **boost my confidence**: tăng sự tự tin

SAMPLE 3:

Yes, certainly. The teacher who **left the deepest** (27) _____ **on** me was my middle school science teacher. He had an (28) _____ **talent** for **turning** complicated theories **into** simple, (29) _____ **lessons**. Instead of expecting us to memorize facts, he encouraged us to ask questions and (30) _____ the answers ourselves. His passion for teaching was incredibly inspiring, and he **sparked** my (31) _____ about how the world works. I still think of his classes whenever I (32) _____ scientific topics.

- **leave the deepest impression**: để lại ấn tượng sâu sắc nhất
- **extraordinary talent**: tài năng phi thường
- **turn...into...**: biến... thành...
- **engaging lessons**: bài học hấp dẫn
- **discover the answers**: tự khám phá câu trả lời
- **spark curiosity**: khơi dậy sự tò mò
- **come across**: tình cờ gặp
