Interview with Aleksandr Ivanov

Last weekend our journalist met Olympic skier Aleksandr Ivanov to ask him about his life and work.

Experience

I'm from St. Petersburg in the north-west of Russia but I'm living in Alberta, Canada at the moment because it's where some of the greatest skiing teachers are. My wife and three children are still at home, but I'm going to go back to Russia in two months. I learned to ski when I was four years old, and that's normal for Russian children because it always snows a lot in winter. I was lucky because a famous skier, Oleg Semenov, knew my father and together they helped me to get better and better until I could ski at the highest level. Because I travel a lot, I've learned a lot of languages – English, German and French. I think French is the easiest.

Lifestyle and tastes

I work hard. I get up at 5 a.m., go to the gym for two hours, then go out in the snow for 5 or 6 hours every day. I eat healthily, and I haven't drunk any alcohol for many years. At home inRussia, I have dinner with my family in the evening. I often cook the meal because I find it helps me relax. Sometimes we go out to the theater, but most evenings I prefer to relax at home and listen to classical music or watch a movie on TV. I also play the piano – my wife says badly – and I enjoy taking photos. There are some of my photos in one of the art galleries in St Petersburg.

Places

I have fallen in love with Canada. The Nordic Center where I train is in Canmore, Alberta, and the mountains here are amazing. I'm going to come back next year. Another favorite place is Geneva in Switzerland. Of course, I've been there to ski, but I've also visited in summer when it is very sunny and warm. It's an interesting city but it isn't cheap, so you can't go out every night. There's a lot to see, and last year I had a nice surprise when I found a beautiful Russian church. I feel very comfortable in Geneva.
