COMPLETE THE PARAGRAPH WITH THE CORRECT MODAL

My brother _____ studied in England for a year when he was in college. I was in high school at that time. Some people say he _____ done it when he had the chance. I disagree with them. I _____ gone either. Here's why. My brother was a good student and had a scholarship that paid all of his tuition and other expenses as long as he was enrolled in another university, such as the one in England. My brother felt that he shouldn't give up his scholarship. He reasoned that he was young and would probably have chance to spend time in England. So while he _____ gone to England, and I _____ liked to visit him there, I think he made the right choice. He _____ wanted to be in debt when he graduated from college.
